

RodoSol-SR Dataset – License Agreement

The RodoSol-SR dataset contains license plate (LP) images created from the [RodoSol-ALPR](#) dataset. These images serve the purpose of supporting research endeavors focused on the development and assessment of algorithms for LP super-resolution. They are **exclusively** made available to academic researchers affiliated with educational or research institutes **for non-commercial purposes**.

Terms and Conditions

The use of the RodoSol-SR dataset is subject to the following terms and conditions:

- This dataset is provided “AS IS”, without any express or implied warranty. Although every effort has been made to ensure accuracy, the authors do not take any responsibility for errors or omissions;
- Without the expressed permission of the authors, any of the following will be considered illegal: redistribution, modification, and commercial usage of this dataset in any way or form, either partially or in their entirety;
- For the sake of privacy, all images in this dataset are only allowed for demonstration in academic publications and presentations;
- All users of the RodoSol-SR dataset agree to indemnify, defend and hold harmless the authors, the Department of Informatics and the Federal University of Paraná, their administration, officers, employees and agents, individually and collectively, from any and all losses, expenses, and damages. The user agrees to take full responsibility and pay all damages, claims, judgments or expenses resulting from the use of the RodoSol-SR dataset.
- All publications using the provided dataset should cite the following reference:
